Invest in a more productive and ergonomic environment with Ergo-Smart™ adjustable-height tables!

Patent #US D549,494 S

Ergo Smart™ 27 Series

Ingenious and innovative, the Ergo-Smart™ mobile table improves productivity, increases safety and reduces repetitive strain and other workplace injuries. Patented technology allows easy adjustment of table height in one-inch increments from 35" to 42".

No tools or disassembly required. Simply pull the pin on each leg, adjust to desired height and release the pin.

The 27 Series is ideal for folding, recovery, signing, pricing, and other on-floor tasks. Our most popular configurations are shown on the following pages or call us to configure a table that best meets your requirements.

Features:

- Height adjustable, 35" – 42"
- Dual folding leaves provide 46"W work surface
- Footprint is 20"D x 18-1/4"W
- 4" non-marring casters, two with brake
- Sturdy square steel-tube construction
- Laminated work surface

Ergo Smart™

Adjustable Height Tables

Allows easy adjustment of table height in one-inch increments from 35" to 42", preventing your employees from "making do" with tables that work against their productivity efforts.

Ergonomic features assist in reducing repetitive strain and other employee related injuries.

Our most popular configurations are shown on the following pages or call us to configure a table that best suits your needs.

Ergo-27-K7

Includes:

FTW Nesting Work Tables

The FTW family of Nesting Work Tables is ideal for on-floor merchandising tasks such as folding, recovery, pricing and signing. Ideal for processing within departments and perfect for environments where floor space is at a premium. Ten tables nest in only five feet.

Models are available with 24"W or 40"W work surfaces and either 35" H (best for out-of-carton stocking applications) or 39 1/2" (best for folding, pricing and signing). In addition, two frame widths are available to accommodate either 24" or 30" hanger management bars.

Accessories include:

- Telescoping Hang Arm – TA
- Folding Board Holder – FTW-TH
- Shelf – FTW-S24 or FTW-S30
- Price/Size Label Roll Bar – PB-F24 or PB-F30
- Hanger Bar – 24" or 30"

FTW-24A Nesting Work Table

FTW Nesting Work Tables

Ideal for rapid replenishment or visual enhancement on the sales floor or within each department. Four tables nest in only 30" when not in use!

Perfect for sales floor processing, folding garments and pricing.

Features:

- FTW "A": Height - 39 1/2"
- FTW "B": Height - 35"
- 4" Non-marring casters, two with brake
- Processing surfaces available in two sizes:
20"D x 26"W
20"D x 40"W
- Accommodates 24" (FTW-24) or 30" (FTW-30) Hanger Bar
- Ships knocked-down
- Can ship UPS
